

The Indexes: Indexes v. 20

Filesize: 7 MB

Reviews

Extremely helpful for all class of folks. It is really simplified but excitement from the 50 percent of your ebook. You wont sense monotony at any moment of your time (that's what catalogs are for about if you check with me).
(Prof. Zachary Pollich V)

THE INDEXES: INDEXES V. 20

Liberty Fund Inc, United States, 2002. Paperback. Book Condition: New. 224 x 154 mm. Language: English Brand New Book. This volume presents a comprehensive index to the entire series of The Collected Works of James M. Buchanan. Included is an annotated copy of the entire curriculum vitae, indicating in which volume in the series the various items appear and, correspondingly, those items that have been omitted. As the editors observe, This is a series that no serious scholar of public choice theory, public economics, or contemporary political theory will want to be without. It is a series that will also appeal to the general student of liberty, for Buchanan has--perhaps more than any other contemporary scholar--helped us to view politics without the romantic gloss that characterizes so much normative political theory and that slips unthinkingly into so much popular commentary. Buchanan has been a resolute defender of the ideal of a society of free and responsible individuals, and has been a painstaking analyst of the institutional structure that might best support such a society. Buchanan stands with von Mises, Hayek, Popper, and Friedman as one of the great twentieth-century scholars of liberty. The entire series includes: Volume 1 The Logical Foundations of Constitutional Liberty Volume 2 Public Principles of Public Debt Volume 3 The Calculus of Consent Volume 4 Public Finance in Democratic Process Volume 5 The Demand and Supply of Public Goods Volume 6 Cost and Choice Volume 7 The Limits of Liberty Volume 8 Democracy in Deficit Volume 9 The Power to Tax Volume 10 The Reason of Rules Volume 11 Politics by Principle, Not Interest Volume 12 Economic Inquiry and Its Logic Volume 13 Politics as Public Choice Volume 14 Debt and Taxes Volume 15 Externalities and Public Expenditure Theory Volume 16 Choice, Contract, and Constitutions Volume...
