

Literacy with an Attitude: Educating Working-Class Children in Their Own Self-Interest

By Patrick J. Finn

State University of New York Press, United States, 2009. Paperback. Book Condition: New. 2nd edition. 226 x 152 mm. Language: English . Brand New Book. The classic, indispensable guide for teachers, parents, and community organizers concerned with educating working-class children, *Literacy with an Attitude* dares to define literacy as a powerful right of citizenship. Patrick J. Finn persuasively debunks the time-honored paradigm for teaching poor and working-class students. Our job, he argues, is not to help such students to become middle class and live middle-class lives most don't want it. Education rather should focus on a powerful literacy a literacy with an attitude that enables working-class and poor students to better understand, demand, and protect their civil, political, and social rights. This tenth-anniversary, second edition features eight new chapters and a revised and updated original text.
