

## Creative Physical Education: Integrating Curriculum Through Innovative PE Projects

By John Quay, Jacqui Peters

Human Kinetics Publishers, United States, 2012. Paperback. Book Condition: New. 246 x 213 mm. Language: English . Brand New Book. Creative Physical Education offers a flexible extended learning experience for children and teens that focuses on physical, cognitive, and interpersonal knowledge and skill development. A combination teacher's guide and student workbook, Creative Physical Education has everything you need, including a CD-ROM of printable and adaptable class materials. Creative Physical Education presents a project framework that you can adapt to fit the needs of your class. Great for physical education teachers looking for a fresh approach, Creative Physical Education also makes an excellent structured project for classroom teachers working with physical education. Creative Physical Education begins with a teacher's guide that details the underlying pedagogical models behind the project. Rather than focusing on one approach, Creative Physical Education integrates a number of pedagogical models and describes how these can be combined to form a creative PE project. This all-in-one resource includes a student workbook with all the worksheets needed for each part of the project. The project worksheets are included on the accompanying CD-ROM and can be modified as needed and printed for use. In addition, homework items offer...
