In this 5-session study, Stephen and Karen Blandino share their personal unexpected stories of pain and disruption. Karen shares how her peace was stolen during a robbery when five young men broke into her house, and then dragged her out of the shower at gunpoint. Stephen shares his journey of simultaneous congestive heart failure and pulmonary failure despite years of annual check-ups with good reports. Following their stories, Stephen and Karen share five compelling studies - great for personal reflection or small group discussion - on five powerful topics: Trust: Replace the Question with a Period Perspective: Refined or Defined?
