Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Miss Celia Volkman)

IRAN: WHAT EVERYONE NEEDS TO KNOW (R) (PAPERBACK)

[DOWNLOAD](#)

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Since the beginning of recorded history, Iran/Persia has been one of the most important world civilizations. Iran remains a distinct civilization today despite its status as a major Islamic state with broad regional influence and its deep integration into the global economy through its vast energy reserves. Yet the close attention paid to Iran in recent decades stems from the impact of the 1979 revolution, which unleashed ideological shock waves throughout the Middle East that reverberate to this day. Many observers look at Iran through the prism of the Islamic Republic's adversarial relationship with the US, Israel, and Sunni nations in its region, yet as Michael Axworthy shows in *Iran: What Everyone Needs to Know*, there is much more to contemporary Iran than its fraught and complicated foreign relations. He begins with a concise account of Iranian history from ancient times to the late twentieth century, following that with sharp summaries of the key events since the 1979 revolution. The final section of the book focuses on Iran today—its culture, economy, politics, and people—and assesses the challenges that the nation will face in coming years. *Iran* will be an essential overview of a complex and important nation that has occupied world headlines for nearly four decades.
