

The Female Offender: Girls, Women, and Crime (Paperback)

By Lisa J. Pasko, Professor Meda Chesney-Lind

SAGE Publications Inc, United States, 2012. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. Scholarship in criminology over the last few decades has often left little room for research and theory on how female offenders are perceived and handled in the criminal justice system. In truth, one out of every four juveniles arrested is female and the population of women in prison has tripled in the past decade. Co-authored by Meda Chesney-Lind, one of the pioneers in the development of the feminist theoretical perspective in criminology, the subject matter of *The Female Offender: Girls, Women and Crime, Third Edition* redresses the balance by providing critical insight into these issues. In an engaging style, authors Meda Chesney-Lind and Lisa Pasko explore gender and cultural factors in women's lives that often precede criminal behaviour and address the question of whether female offenders are more violent today than in the past. The authors provide a revealing look at how public discomfort with the idea of women as criminals significantly impacts the treatment received by this offender population.
