AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 223 x 150 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Meet Chris Valmonte. As a youngster growing up in Buffalo, he witnessed the death of his step-dad and a serious injury to a young girl in a car accident. Chris collapses at the sight, and can't recall anything about his life for the next five years. Doctors tell him that his mind can't cope with what he saw, and shut down as a form of repression through amnesia. From his tenth birthday on, he is deprived of sleep because of relentless nightmares about the crash. Over time, Chris learns to cope with his troubles, and soon gets his life back on track. However, he can't escape the constant nocturnal reminders of his past, and dismisses the idea that he suffered from amnesia. He, along with his friends, think there is something more supernatural to his problems, so he decides to visit a palm reader. Nothing is as it seems for Chris, and everything that his visit to the palm reader revealed begins to come true. Chris tries to understand the purpose of his life, and thinks of ways to erase his nightmares. He debates personal questions of predestination and free will, and tries to figure out what's behind all of the mystery that surrounds his past. What he finds is startling. It's a race against time for Chris to save himself and the people that he loves from everything that has yet to come.
