Borgo Press. Paperback. Condition: New. 162 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Sonnets are among the most widely recognized of poetic forms, dating back almost a thousand years. In this book, Michael R. Collings blends past tradition with contemporary experimentation, public commentary with private meditation, lyric compression with epic breadth, rigid structure with nuclear-fused sonnets, free radicals, one electron away from exploding. As Robert Reginald says: Once again Collings shows that traditional does not have to mean staid, and that all things are possible with imaginative word-play of the highest order. Great fun, great reading, GREAT poetry! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
