

The House of Cariboo and Other Tales from Arcadia (Paperback)

Filesize: 5.24 MB

Reviews

Complete guideline for publication fanatics. It is written in easy phrases rather than hard to understand. I am very happy to inform you that this is basically the finest pdf we have studied in my personal life and can be the finest pdf for at any time.
(Saul Mertz)

THE HOUSE OF CARIBOO AND OTHER TALES FROM ARCADIA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from the opening lines: As the eagle stirs up her nest upon the crags and forces her young over the confines of the inadequate abode, it is then that they spread their wings and soar away to freedom and independence. So is it with the great river of rivers, the St. Lawrence. Born among the Northwest Lakes, and sheltered there for a time, resenting intrusion, it steals away unnoticed from the watershed expanse. Threading its course through the marshes and lowlands, it gathers momentum as it speeds onward, till, the volume growing too great for its confining banks, its waters rebel, and breaking from control, spread forth into the boisterous storm-tossed Erie. Here they are disrupted and buffeted about, driven by the winds and carried onward by a terrible undertow. Now drawn through a narrow, deep channel, swiftly they pass the cities on the shore. Too quickly they are speeding to heed or be disturbed longer by the warring of the elements. Down to the very brink of the awful precipice ahead they charge with ever-increasing speed, then over the Niagara, pouring far beneath into the seething, boiling caldrons.
