

Academic Transformation: Coaching Book for a Dynamic and Service Filled Evangelism (Paperback)

By William Rodriguez

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This Total Transformation system is structured in such a way that we may be able to effect changes in all areas of our nation. These are auxiliary materials which should help to determent how we can implement changes at the following levels of growth: personal, family, social, academic, ecclesiastical, governmental and economic. These seven areas of life that in any nation are instrumental in measuring and determining if that nation is on the right path or if it is in need of intervention in any of its sphere of influence. In each of the books that make up part of this series we will speak of the needs that effect positively a transformation that will bless your nation. Understand that each nation is an organism that functions with the joint efforts of various factors and as such when an area is affected all other areas are also impacted. The impact can be one that helps cog all systems mechanism into place so that all may fulfill their purpose and function or it could also be negative making all other national areas be...
