The 3-Word Stories Coloring Book by Cynthia Van Edwards This was a collaboration with the Cynthia Van Edwards Coloring Team and Cynthia Van Edwards, herself. From start to finish the members of the team all came together to help create this book and we really love it. One of the most enchanting, most innovative Coloring Book Designers in the world, Cynthia Van Edwards has done it again. In this incredible new Coloring book, the Three-Word Stories coloring book, we came together as a group and dreamed up with more than 30 funny, delicate, inspiring, heart-breaking and unique three word stories. Cynthia then put her little spin on it and what we have created is a wonderful book that lets us all celebrate the peaks and valleys of our lives. 3-Word Stories celebrates symmetry and texture as many of the designs are on textured surfaces and 3-dimensional plaques. We really think you'll enjoy this book and we look forward to seeing what you create! Now, let's see what you're made of! #3WordStoriesColoring Book This book has been a collaborative effort between artists, designers, and Colorists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but they're anything but. PLEASE Take pictures of your finished coloring designs and post them to CYNTHIA VAN EDWARDS Facebook page, add the hashtag #3WordStoriesColoringBook to your post.
