This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2008 in the subject Art - Installation / Action/Performance Art / Modern Art, printed single-sided, grade: 1.3, Zeppelin University Friedrichshafen, language: English, abstract: The core of my term paper is based on two issues. The concept of an art laboratory in general and its application on Warhol and Warhols factory. In the first part of my paper, I try to develop the idea of a laboratory. I start with the common sense interpretation of the laboratory in the natural sciences. Afterwards I try to employ different theories taken from the cultural sciences to develop the term for my intention. Bourdieu, Becker, Knorr Cetina and others designed concepts to fill the laboratory idea used by Dragicevic Sestic and Dragojevic with life and in the end of the first part of my paper, I will have an idea of the art laboratory which can be used to describe Warhols factory and evaluate its policies in the 1960s. In the next chapter, I will first introduce Warhol and his life in a short introduction. After this,...
