

Morsels of Reflection (Paperback)

By Rosanna Figna

AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book ***** Print on Demand *****.This work is a collection of aphorisms written by me and annotated by a friend. They come from larger thoughts which, as is customary nowadays, have been condensed. They express two women s approach to daily life, full of common sense but not, because of that, less acute or ironic. They can be used to escape from the prison of one s habitual way of thinking, taking one towards a greater freedom from patterns of thoughts and habits. This little book is suitable for reading multiple times; its sentences can be used as text messages; they can also be written in journals, on subway walls, on kitchen blackboards. They welcome the reader into the realm of those who think while still smiling.
