## POISONED WATERS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Veronica Dugan was as seductive as she was ambitious. As a small town newspaper reporter, her dreams of the big time sometimes clouded her judgment. Still, he can't let her go. Her draw is more powerful and intoxicating than any narcotic. Tom Hughes, one of Veronica's many lovers, a man who thought that he had once again found love, only to learn that he was nothing more than a convenience. Kell Plastics, a powerful and ostensibly green international chemical company whose local plant is one of the few remaining major employers in the economically downtrodden city of Riverport. Few know that Veronica is about to unearth Kell's dirtiest secrets; that the label green was nothing more than a marketing ploy. The City Council, whose good ol' boy politicians don't know the meaning of conflict of interest. For one council member in particular, the beautiful young reporter on the City Hall beat has become more than a mere nuisance. Jessica Reid, who learns that the man of her dreams was having an affair with her onetime best friend-- Veronica Dugan. Poisoned Waters introduces Deputy Tobias Toby Briggs. His determined investigation of Veronica Dugan's murder leads him in directions no one...
