As one of today's most influential business thinkers, Seth Godin helps his army of fans stay focused, stay connected, and stay dissatisfied with the status quo, the ordinary, the boring. His books, blog posts, magazine articles, and speeches have inspired countless entrepreneurs, marketing people, innovators, and managers around the world. Now, for the first time, Godin has collected the most provocative short pieces from his pioneering blog, ranked 70 by Feedster (out of millions published) in worldwide readership. This book also includes his most popular columns from Fast Company magazine, and several of the short e-books he has written in the last few years. As Godin writes in his introduction: I guarantee that you'll find some ideas that don't work for you.
