## Millie vs the Machines: Book 1 (Paperback)

By Kiera O'Brien

Hachette Children's Group, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Within the boundaries of Oaktree Boarding School, Millie Hendrick is a privileged girl in a future world. A world where students can download their memories to tablets and highly advanced robots are the servants of choice. With exams looming and the Look announcing daily-changing fashion trends, Millie has the same problems as every thirteen-year-old . Well, there is one other thing troubling her. Millie's haunted by an accident she can't remember and a fear of the robots she can't explain. But it's OK. She can live with it. That is, until students start to disappear from her school. No one else sees that something suspicious is going on. It's up to Millie to uncover the truth.

### Reviews

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

*Merely no words to clarify. I could comprehend almost everything using this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
