

Introductory Lecture to the Course of Clinical Instruction in Surgery, at the Pennsylvania Hospital: Delivered November 1st, 1848 (Classic Reprint) (Paperback)

By George Washington Norris

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Introductory Lecture to the Course of Clinical Instruction in Surgery, at the Pennsylvania Hospital: Delivered November 1st, 1848 IN commencing any course of instruction, custom has decreed that a little time should be taken up by the teacher in making known his views or opinions on subjects connected with his course, which shall serve as a sort of introduction between his auditors and himself; and in obedience to this custom, in coming before you this day as a teacher of Surgery, I beg to ask your attention to a few brief remarks on the organization of our Hospital and its means of clinical instruction - the nature of the instruction it is proposed to give - the classes of cases which will be most frequently presented to you - together with some desultory observations on operations and operative surgery. Reviews

The book is simple in read safer to comprehend. It is writter in straightforward words and phrases instead of confusing. You wont truly feel monotony at anytime of your time (that's what catalogues are for concerning in the event you request me).

-- **Brannon Koch**

Completely essential read book. I could possibly comprehended every little thing using this written e book. You wont sense monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).

-- **Rosendo Douglas DVM**
