

The Infernal Sugar Dive (Paperback)

By James Andre

Milk Shadow Books, 2017. Paperback. Condition: New. Language: English . Brand New Book *****
Print on Demand *****.Dripping with dope and hamburger grease, a disturbed young man accidentally commits an atrocity which sets him loose out into the world accompanied by the object of his obsession: a violent, green-haired girl. This vile pair of humans must survive themselves, each other, and all the grossness of modern society as they plunge further down the food chain. Working as both a satire of contemporary vices and a parody of the murderous road trip subgenre, The Infernal Sugar Dive is the first full-length work by James Andre, publisher of Milk Shadow Books. This black comedy story, written using a slime of consciousness style, may require the reader to use some hand sanitiser after finishing it.
