Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The Musicians; biographies of the 46 musicians who were members of the All Stars, the detail depending on the perceived significance of each. 4. Life with Louis; especially where it impacted on the All Stars: touring, on stage, relationships with management. There is a comprehensive list of references and a detailed index.
