LONG-TERM SUCCESS BUILDING WORDPRESS WEBSITES FOR THE AMAZON AFFILIATE PROGRAM (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a guide for both new and existing affiliates of the Amazon Associates Program that are looking for reliable way to build WordPress websites to promote products to refer sales for commissions. It was originally created for a live Amazon affiliate coaching webinar series that had 12 classes. Each of those 12 classes is now a main chapter of this book. It is a complete tutorial on how to build your own Amazon affiliate website without having technical knowledge or web design experience. It is also a first-hand guide on the construction of the website built for the live trainees, so you actually get real-life examples and have a real website you can visit to use as a reference. Each main chapter begins with an introduction, summary and a checklist. The checklist is excellent to use to ensure you have completed all of the main steps for that particular class with the construction of your own website. You can also find two pages for personal notes after each checklist, so you can add your own info as you progress. Proceed through all of the sub-chapters for the first class. As you read through the lessons, try to work along with them on your computer. Complete the checklist for each class before going on to the next class. After you are done with all 12 classes and this book, you will not only have the knowledge you need to build Amazon affiliate websites, but you will also have your first site completed and running already! Simply repeat the process to make more sites - the more sites you make, the better your monthly earning potential. Table of Contents 1 Amazon...
