Outskirts Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Deliverance Ministry. . . The greatest textbook about delivering men from demonic power is the Scriptures, primarily Matthew, Mark, Luke, and John. I point you to those men and women who have received a special anointing in this area to read their writings such as Frank Hammond s Pigs in the Parlor. You will find others if you wish; however, the first answer to a Deliverance Ministry is to do what Jesus did in the gospels. As you read this book you will soon see that I have stayed on a narrow truth in each of them but sufficient for the title I address. Turn to the Scriptures for the final answer to any question. I have over the years come to the conclusion that the Deliverance Ministry is in truth a Miracle Ministry. As you read my book you will see why. I entered the ministry from my first early days and found myself confronted by demon spirits that required they be dealt with and so we learned: 1st: Use the name of Jesus and the demons could not stand. 2nd: Be bold in casting out demons. 3rd: Miracles and healing took place when demons were cast out. If you follow Jesus and do what He did, you will see what I saw and more.
