## Army Tactics, Techniques, and Procedures Attp 4-15 (FM 55-50) Army Water Transport Operations (Paperback)

By United States Government Us Army

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The transformation of the Army into a strategically responsive, expeditionary force that is dominant across the full spectrum of operations requires significant cultural, doctrinal and organizational change as well as advanced technological solutions. Such changes and technology must support the Army at every point on the spectrum of operations and must be suitable for the current as well as future forces. These changes and technologies must offer far-reaching capabilities that enable the Capstone Concept for Joint Operations (CCJO) and the Army's Future Force Capstone Concept. Simply improving existing platforms, doctrine, organizations and Army culture does not support the transformation envisioned in either of the aforementioned conceptual documents. Achieving this robust water transport capability requires new ways and means - enabled by truly transformational doctrine, organizations, training, materiel, leadership and education, personnel and facilities (DOTMLPF) and policy. The major shift in Army watercraft operation focuses on our ability to rapidly project and sustain operational forces within and through the littoral areas of the world. Expeditionary units and enabling technologies provide the commander the water transport capability to achieve positional advantage over operational and...
