Pediatric Pharmacotherapy Self Assessment (Hardback)

By Sandra Benavides, Hanna Phan, Milap C. Nahata

American Society of Health-System Pharmacists, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. A growing practice area, pediatric pharmacotherapy has been approved as a new board-certified specialty. Yet, with little clinical data on the efficacy of drugs used for children and their other special needs, these small patients can be your biggest challenge. Now there is a very effective way to assess and advance your pediatric pharmacotherapy skills, on your own time, at your own pace: ASHP's Pediatric Pharmacotherapy Self Assessment, created by Sandra Benavides, Hanna Phan, and Milap C. Nahata. Based on real-life situations, these cases present challenges in the use of supplements, OTCs, drug formulations, and all other therapies for neonates, children, and adolescents. Each case was designed to include patient-specific data for evaluation to formulate specific recommendations for all aspects of care. Pediatric Pharmacotherapy Self Assessment is a professional development tool for all areas of concern and levels of practice that can benefit you and your youngest patients for years to come.

Reviews

This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.

-- Prof. Kip Spinka IV

It is really an remarkable ebook that I actually have ever study. It is actually loaded with knowledge and wisdom You will not truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

-- Mr. Norval Reilly V
