Author Jeany Pavett and her husband lost their first daughter before she even turned a year old. Writing honestly and openly about the traumatic events of her life, *Life After Death: A Mothers Story* is the story of baby Gabrielles birth, her life, and her death; it is also about the death of Jeanys own childhood because of the abuse she suffered as a child, how she felt, the fear, helplessness and trauma. And its a story of how almost losing another daughter really tested her family, yet her faith in God remained constant. Jeanys story tells how God has always been by her side to be her strength, even though there were times it really didnt seem that way. Jeany Pavett grew up in Essex, United Kingdom, and now resides near Colchester in Essex, England where she is an office administrator.
