I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and i suggested this book to understand.

VERSIONS (PAPERBACK)

MM Publishing LLC, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Versions - Blacklist Novella 1 The truth doesn't have versions. Or does it? Rin Lee covered her childhood in dirt and danced on its grave. Only she pranced a little too hard and spent her young-adult life tiptoeing the straight and narrow. Things finally paid off in the form of a job with the Department of Defense, a home of her own, and a boyfriend muscled enough he put Zach Efron to shame. Until one text reveals a hideous truth that splinters her world. Suddenly she can't trust Nate or their surrogate family of friends. Can she possibly trust Luck-the man who mirrors her soul, scares her beyond the neat confines she's erected around herself, and makes her scrutinize the versions she's always been too angry to see? Luck turned to the streets out of necessity, while Rin slapped on blinders and ignored those willing to help her. A stupid move for a sultry young woman. But the skills she learned in the rough and tumble underbelly of DC will serve his latest assignment well. Because people like them have the instinct to survive.
