Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

REBEL PRIEST IN THE TIME OF TYRANTS: MISSION TO HAITI, ECUADOR AND CHILE (PAPERBACK)

Baraka Books, Canada, 2015. Paperback. Condition: New. Language: English . Brand New Book. Claude Lacaille witnessed up close the oppression and poverty in Haiti, Ecuador, and Chile where dictators and predatory imperialists ruled. Like other advocates of Liberation Theology, he saw it as his duty to join the resistance, particularly against Chilean military dictator Augusto Pinochet. But the dictators were not alone, as they often enjoyed the support of the Vatican, sometimes tacit, but then brazenly open under Popes John Paul II and Benedict XVI. He began writing this book in Chile where thousands shed blood simply because they defended victims of dictatorship, opposed rapacious policies and economic doctrines, consoled the downtrodden, and breathed new hope and courage into a people who desperately needed it. These men and women remain an inspiration for those who still believe in a better world. This is the story of Claude Lacaille s experience from 1965 through 1986 in the slums and squats in the Caribbean and South America and also what it really means to have a preferential option for the poor. His book shows how liberation theology and spirituality enkindled the life and the work of an ordinary Quebec missionary.
