WILLS CHOICE: A SUICIDAL TEEN, A DESPERATE MOTHER, AND A CHRONICLE OF RECOVERY

DOWNLOAD

HarperCollins Publishers. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 7.9in. x 5.3in. x 1.0in. On March 11, 2001, seventeen-year-old Will ingested a near-fatal dose of his antidepressant medication, an event that would forever change his life and the lives of his family. In *Wills Choice*, his mother, Gail Griffith, tells the story of her family's struggle to renew Will's interest in life and to regain their equilibrium in the aftermath. Griffith intersperses her own finely wrought prose with dozens of letters and journal entries from family and friends, including many from Will himself. A memoir with a social conscience, *Wills Choice* lays bare the social and political challenges that American families face in combating this most mysterious and stigmatized of illnesses. In Gail Griffith, depressed teens have found themselves a formidable advocate, and in the evocative and fiercely compelling narrative of *Wills Choice*, we all discover the promise of a second chance. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
