INFORMATION ENVIRONMENT
OF DISTANCE LEARNERS
Distance and Cross-border Learners in Botswana

LAP Lambert Acad. Publ. Jun 2010, 2010. Taschenbuch. Condition: Neu. Neuware - This book investigated the information environment of distance education students at the tertiary- level in Botswana. Four distance teaching institutions comprising the University of Botswana and three cross-border institutions (University of Derby, UNISA and MANCOSA) that had visible presence in the country were focused. In the context of the study, the information environment was considered to comprise the information needs, information seeking behaviour and sources/channels of information. The...
