

Seven Great Freethinking Philosophers: Zeno, Epicurus, Augustine, Averroes, Descartes, Spinoza, Edith Stein (Paperback)

By John C Wilhelmsson

Chaos to Order Publishing, 2015. Paperback. Condition: New. Large type / large print edition.

Language: English . Brand New Book ***** Print on Demand *****.In an age of conformity brought

on by huge cult-like corporations and ubiquitous social media is there still a road less traveled one

might choose to follow? How better to confront the conformity of the 21st century than by

consulting history s seven great freethinking philosophers? We live in a time of stereotypical

ignorance: Christians have narrow minds and oppose diversity, Muslims value blind faith over

reason, and Women have never made any great contributions to philosophy. Seven Great

Freethinking Philosophers crushes these, and many other, myths by detailing how seven great

minds fought against conformity in their own ages and left us an inheritance of thought, now

almost forgotten, fundamental to such things as human dignity, the scientific method, healthy

living, and academic and religious freedom. Based upon Half-Hours With The Free Thinkers, yet with

brand new selections on Augustine, Averroes, and Edith Stein this new version of a classic is a must

read for all current, or aspiring, freethinkers.
