Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Other Side of Me is a true story about a Marine who served three tours of duty in Vietnam during the years of 1966-1970, D.L. Tex Swafford. Tex, as his comrades called him, was not the same man he once was upon returning home from Nam. No, that man died over there with thousands of other soldiers. He was a casualty of war, sent home with a broken mind and invisible wounds that were impossible to mend. The Other Side of Me is his story of both strength and struggle during the war and after his return home. It s a look inside a man, a war veteran who suffered from extreme PTSD for many decades, for the remainder of his life. The hope is that his memoir will give insight and hope to current and future generations of combat veterans. Semper Fidelis.
