

## The Cardiovascular System at a Glance 4E (Paperback)

By Philip I. Aaronson, Jeremy P. T. Ward, Michelle J. Connelly

John Wiley and Sons Ltd, United States, 2012. Paperback. Condition: New. 4th ed.. Language: English . Brand New Book. This concise and accessible text provides an integrated overview of the cardiovascular system - considering the basic sciences which underpin the system and applying this knowledge to clinical practice and therapeutics. A general introduction to the cardiovascular system is followed by chapters on key topics such as anatomy and histology, blood and body fluids, biochemistry, excitation-contraction coupling, form and function, integration and regulation, pathology and therapeutics, clinical examination and investigation - all supported by clinical cases for self-assessment. Highly visual colour illustrations complement the text and consolidate learning. The Cardiovascular System at a Glance is the perfect introduction and revision aid to understanding the heart and circulation and now also features: \* An additional chapter on pulmonary hypertension \* Even more simplified illustrations to aid easier understanding \* Reorganized and revised chapters for greater clarity \* Brand new and updated clinical case studies illustrating clinical relevance and for self-assessment The fourth edition of The Cardiovascular System at a Glance is an ideal resource for medical students, whilst students of other health professions and specialist cardiology nurses will also find it invaluable...
