Living Parables of Central Florida, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is your heart broken with grief? Do you feel alone, lonely, and fearful of the future? If you lost a loved one, your life has taken a different path than what you expected, and you may wonder where God is. How do you cope? How do you live the new normal when you don't want it? You want your loved one back. You may feel that no one understands you. Based on some of the insensitive comments people make without thinking, you may be convinced they don't. However, Yvonne Ortega understands you. Seven years ago, she suffered the loss of two aunts, her mother, and her only child within a span of seven months. In her book, *Moving from Broken to Beautiful(R) through Grief*, she writes from both her personal and clinical experiences with a solid foundation in God's Word. In Yvonne, you have a new friend, who will walk alongside you and guide you to the healing balm of comfort, hope, and peace. Grief is a natural and normal process. You are not losing your mind even if you feel that way. You are on the emotional roller coaster of grief, and like the other rides, it will eventually stop. You may feel angry with God, with the deceased, and with yourself. You may feel sad one minute and guilty the next. Ms. Ortega assures you that you will get through the gut-wrenching pain of grief. *Moving from Broken to Beautiful(R) through Grief* is an interactive book from beginning to end. You are not a passive reader of someone else's process through grief. Instead you are an active participant working through your own grief. With...
