HIDING TEXT USING IMAGE STEGANOGRAPHY

Hiding Text Using Image Steganography

LAP Lambert Academic Publishing. Paperback. Condition: New. 60 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Steganography is a technique of hiding data behind some file like image, text, audio video etc. for security reasons. Image Steganography deals with hiding data behind images. It has many techniques depending upon the type of image used for data hiding. Existing techniques provide security but the capacity is left behind. The technique discussed in this work provides a perfect match between the security and...

Reviews

A brand new e book with a new perspective. I could comprehend every little thing using this written e publication. I am quickly will get a satisfaction of reading through a written ebook.

-- **Clemmie Rolfson**

The very best ebook i ever study. It really is rally fascinating through reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
