Brand New Book ***** Print on Demand *****.Family Violence-Domestic Violence-Child Abuse Not easy topics to read about, not easy to talk about, but you can heal and forgive and be completely free. You can be the beginning of peace. If you have experienced family violence at any level, it could be that your parents struggled with domestic violence, or your family just had feuds and disagreements that hurt one generation to the next. Family violence always hurts and perpetuates violence. It looks different behind the mask of illusions. Peace begins with you. You can change the negative impacts, heal the psychological, spiritual, and emotional wounds. You can mend the heart, heal the physical body, and ultimately free the psyche. When you heal, your family heals; when your family heals, your children and their children heal. Family violence is intergenerational, and peace begins when you say yes to peace. The violence stops when you have the courage to say yes to peace. Poetry is a tool; healing and restorative poetry is a creative art. This coffee-table poetry book, *Peace Begins When Family Violence Ends*, is an initiation and invitation for you to choose forgiveness and peace.
