Hodder Stoughton General Division, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Between the end of Frank Herbert s Dune and his next novel Dune Messiah lies a mystery: how a hero adored by a planet became a tyrant hated by a universe. Paul of Dune begins the story of those twelve fateful years and the wars of the jihad of Paul Muad Dib. It is an epic of battle and betrayal; of love and idealism; of ambition and intrigue. Above all, it is the story of how Paul Atreides - who achieved absolute power when scarcely more than a boy - changes from an idealist into a dictator who is the prisoner of the bureaucrats and fanatics who surround him. Have you read Dune? And have you read Brian Herbert and Kevin J. Anderson s novels continuing the story? The latest are Hunters of Dune and Sandworms of Dune.
