## REDEMPTION STORY: PROMOTIONAL EDITION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Joseph Johnson grew up in church, got good grades in school, and seemed on track to become a college graduate and a successful professional. But he wasn't willing to give up his secret thug life and the street cred that seemed to authenticate him as a young Black man. When a confrontation spins out of control, Joseph finds himself in prison for attempted murder. His family is shattered by grief, his future is drained of hope. Is redemption really possible? \*\*\*\*\* Redemption Story is a work of fiction. If my characters and situations resemble persons and events in real life, it is purely coincidental. But it is no surprise either. It is not my story alone. It is a composite of the lives of many incarcerated men: their pasts, their presents, and possibly their futures. Young men and women growing up in tough urban neighborhoods will identify with, or at least recognize, many of my inmate characters. Most urban families have at least one relative or family friend who is incarcerated, often for very good reason. But sometimes that incarceration is an overreaction, a punishment that does not fit the crime. and sometimes that incarceration is a complete mistake. A mistake as simple as the ethnocentrism that leads a victim to confidently identify someone as the perpetrator even though that someone and the real perpetrator only share the most general racial phenotype. When the real perp and the person convicted are placed side by side, it is difficult to imagine how such a mistake could have happened. These are only two of many ways prisons fill with minorities who either ought to be somewhere else, or who ought not..
