# The Art of Theatrical Design: Elements of Visual Composition, Methods, and Practice (Paperback)

By Kaoime Malloy

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. The Art of Theatrical Design: Elements of Visual Composition, Methods, and Practice addresses the core principles that develop the student designer into a true artist, providing a foundation that ensures success with each production design. This text concentrates on the skills necessary to create effective, evocative, and engaging theatrical designs that support the play contextually, thematically, and visually. It gives students the grounding in core design principles they need to approach design challenges and make design decisions in both assigned class projects and realized productions. This book features: * In-depth discussions of design elements and principles for costume, set, lighting, sound, and projection designs * Coverage of key concepts such as content, context, genre, style, play structure and format, and the demands and limitations of various theatrical spaces * Essential principles, including collaboration, inspiration, conceptualization, script analysis, conducting effective research, building a visual library, developing an individual design process, and the role of the critique in collaboration * Information on recent digital drawing tool technology, such as the Wacom(R) Inkling pen, Wacom(R) Intuos digitizing tablets and digital sketching, and rendering programs such as Autodesk(R) Sketchbook...

Reviews

This created publication is excellent. It generally does not price a lot of. You may like just how the writer create this pdf.
-- Jo Kuhlman

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.
