Since the beginning, Man has known about his Creator, and regardless of what he called Him, the presence of Almighty God is recorded throughout History. In recent times, many great men have recognized the existence of God, Albert Einstein is known to have credited Almighty God for his thoughts and insight, and General George Patton believed in Almighty God's ability to affect his outcome in battle. For more than a decade, FocusOnJesus Ministries has encouraged people to read the Holy Bible, to learn more about that Almighty God. While developing the 50A.D Discipleship Program, and the resulting Bible Reading Program for Church Groups and others, this book about the Bible is presented, with the hope of giving Church Groups, Christians, and students of the Holy Bible, a better understanding of the Book that can change lives. Presented in an easy to read format, this booklet provides the reader with a unique look at the early foundations upon which the Holy Bible, and the Versions that may be considered for purchase or use, is based. . . With this back-round knowledge, readers should expect a much better understanding not only of the text of the Bible Versions, but of the message of the Holy Book itself This is Volume #1 of the Effective Bible Reading Series .
