Kelly and Steve quit the Silicon Valley rat race, and move to New Zealand. There, in a small beachside community they live their dream. Living in the sub-tropical North on a mile-long sandy beach life is wonderful. They swim, fish, golf, enjoy a large garden and a big sloppy dog. Relaxed and happy the months roll by. One day Kelly returns from a two-week trip, to find the house is empty. No Steve. No dog. No message or explanation. When he doesn't return for several days, friends and acquaintances search frantically. Eventually, the police mount a country-wide search, but he is nowhere to be found. Finally, everyone concludes Kelly has joined the ranks of the deserted wives. Embarrassed and aggravated by the pitying looks, she is still convinced Steve would not have left without a word. Unhappy and alone, she continues to search until she has exhausted every last possibility, A Californian friend of Steve's, who had visited during her absence, reminds her that Steve had come up with the preposterous theory that a middle-aged woman living...

### Reviews

*Completely among the best pdf We have at any time study. We have study and i am sure that i am going to likely to read yet again once again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*
