Brand New Book ***** Print on Demand *****.A book about journaling mindfully and meditatively. Writing without Hurry is a how-to, self-help book for the serious journaler and anyone interested in growth and personal transformation. Effective journal writing is a meditation and a way to understand your own psychology. It is learning to reflect on your own situation and to make sense of the things that trouble you, and it is a way to find solutions for the serious problems you face. Journaling is one of the best tools for change, but those results only come when you write seriously and with a structured method. That is what I teach in Writing without Hurry. Through a series of guided exercises, you will learn to write thoughtfully and use your journal for serious introspection, for understanding complex subjects and for understanding the important questions in your life. A step-by-step method of inquiry is presented which leads you to important insights and practical ideas for improving the quality of your life. You will learn the specific style of writing and recommended format for journal entries guaranteed to lead to growth and personal change, and you will learn ways to slow down your writing so that you learn to write...
