Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Reginald Ianthe Perrin, the creation of comedy genius David Nobbs, is surely one of the best-loved comedy heroes of our time—in both literature and television. So it is with great pride that Audible presents Reggie's escapades in digital audio for the very first time: we invite you to join him, and the memorable supporting characters who help him along the way, on one man's quest to avoid an everyday existence. Reginald Perrin is sick with selling exotic ices at Sunshine Desserts. He's fed up with his boss C.J. who delights in making his life hell. And he's had enough of his eager young assistants who think everything is super. So begins Reggie's battle against consumerism. Driven to desperation by the rat race and the unpunctuality of Britain's trains, Reggie's small eccentricities escalate to the extreme. Until, finally, he leaves behind the unacceptable face of capitalism altogether. Driven off in a motorised jelly, and creating the world's biggest loganberry slick on his way, he dumps his clothes on a Dorset beach and sets off for new adventures. Having graduated from Cambridge University, David Nobbs entered the army, then tried his hand at journalism and advertising before becoming a writer. A distinguished novelist and comedy writer, Nobbs has written for hit TV comedy shows including *The Two Ronnies* and created the TV sitcom *The Rise and Fall of Reginald Perrin*, adapted from his own Reginald Perrin comedy novels. He lives near Harrogate with his wife Susan.
