Editions Pandora. Paperback. Condition: New. 144 pages. Dimensions: 7.8in. x 5.1in. x 0.3in. The Saturnian Tales is a collection of three stories about life, love and death interwoven with each other on an esoteric level. The Secret of the Saturn Room tells the story of Stanislas Kromanov, a 38-year-old Russian count who lives in a magnificent manor with his servant Vera. Stanislas is a very predictable man, a creature of routines. His boring life changed forever when he met Yulia, a curious girl who turned his life upside down. FAPS-ROOM is the story of a young, rich hedonist named Alan Donovan who created a secret society restricted to people under the age of 28. Alan is handsome, intelligent and carefree. He is also a drug addict who invented a very original way to deal with his drug problems. The Diabolic Recipe for True Love is about a young couple who almost died in a terrible car crash at the age of 18. A witness to the accident saved the couple with an ulterior, dark motive. The Saturnian Tales should be read sequentially, starting with The Secret of the Saturn Room. If the stories are not read in the right order, they can spoil each other or be misunderstood.
