The Primary Factor (Paperback)

By Michael Stone

Lulu Press, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Primary Factor is a science fiction novel about an android, sent across space to seek out a planet were the dominant life form is killing the planet. His mission is to save the planet from destruction by eradicating the threat. When he crashes on a primitive Earth the question arises, can he survive until these people advance enough to enable him to leave? The discoveries he makes during his early time on Earth will change him forever, but will they be strong enough to prevent him from carrying out his mission? when, thousands of years later, these people become a major threat to the planet. Will he leave in peace, or is his core programming so strong that the human race is doomed? Or can a young computer hacker discover the secret and prevent our extinction?.

Reviews

The ideal book i actually read. It is one of the most awesome pdf i have study. I am just happy to tell you that this is basically the best book i have study in my own life and might be he finest ebook for actually.
-- Nettie Leuschke

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who statte that there was not a well worth looking at. Its been designed in an exceptionally simple way and is particularly only soon after i finished reading through this ebook in which actually transformed me, modify the way in my opinion.
