

INTERACTIVE MOTION for Brass Quintet and Tape

By Yeo, Young-Hwan

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Live Interactive Music for Brass Quintet and Electronically Generated Accompaniment | INTERACTIVE MOTION is composed for Brass Quintet and Tape in one movement. The composition is approximately fourteen minutes in duration. A primary feature of this piece is the live interaction between the acoustic brass instruments and the electronically generated accompaniment. Some of the electronic sounds were created using a program written in the Csound computer language; sampled sounds and the Kurzweil K2000 synthesizer were processed with GRM Tools using Pro Tools software. The samples of the inside strings of a piano, bells, and muted brass instruments were either recorded with a portable DAT recorder or extracted from a CD of samples. | Format: Paperback | Language/Sprache: english | 141 gr | 96 pp.
