Results of Seed Tests for 1954: Made for the State Department of Agriculture (Classic Reprint) (Paperback)

By Bessie G Sanborn

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Results of Seed Tests for 1954: Made for the State Department of Agriculture Wholesalers are listed in alphabetical order except when samples are presumed to have been carried over, in which case they are listed alphabetically by dealers. The New Hampshire seed law requires that both agricultural and vegetable seeds must be labeled with the calendar month and year when last tested for germination, and requires that this germination test shall have been completed within nine months of being offered for sale. In the following tables, if the date of test was within the prescribed nine months, the sample is marked satisfactory, S in this respect; if no date was given, the word None appears indicating a violation; if the date was a violation of the law because the test was not made within nine months, the date given on the tag or label appears in that column. The first part of the report deals with 161 samples of agricultural seed tested for purity, germination and noxious weed content. There is a tolerance or allowable variation from the guarantee...
