Brand New Book ***** Print on Demand *****.This book is such an inspiration but more than that, it's a revelation. It's about a young girl becoming a woman. As I read this story I became more and more aware that this isn't just her story, it's every woman's story. Every one of us has experienced our first time. I have felt alone, I've felt sad and angry and even resentment. But I've also felt elation and joy and immense pride and wonder. So as I read this book I couldn't help but to think back on my personal journey and cry or reminisce and smile. There were times when I couldn't utter a laugh because I was crying so hard and there were other times when I was laughing so hard that it became a cry. I realize that we all have a story and we all have a journey to make in order to tell that story and everyone's walk will be different...
