When best friend, Nora Farmer, finds a body in a delivery of grain for her farm, Kori is immediately by her side and ready to find whoever is responsible. But the suspect list is growing without finding any real answers: a jilted mistress, a greedy wife, and ex-coworkers who might have been up to no good. But Kori s mission of finding justice gets put on the fast track when Nora goes missing and Kori worries that the killer has kidnapped her for getting too close to the trail. Will Kori be able to save Nora in time or will she be the next body to be found? Kori finds help in unlikely places, but has to question everyone s information and whether she can trust it.
