

The Performance of Loofah Fiber in Mortar: A Pilot Study on the Compressive, Ten (Paperback)

By Engr Uzochukwu Mike

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a research project work on the use of Loofah fiber as reinforcement in cement or mortar. The fiber was untreated and then used in various volume fractions using measurement by weight. At the end of the research, the composites have highest compressive strength followed by flexural strength and finally lower tensile strength.
