Transworld Publishers Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. This book reveals the sinister true story of the Mafia in Hollywood. Crammed with legends, myths, murders, madness, mayhem, superstar tantrums, super-sexed starlets, power brokers and politics, it is an ambitious account of Hollywood s hidden history, from the rogue cops who took on the Mob on the streets of Los Angeles to the stars who became stars because Mafia Godfathers said they would. In *The Dark Heart of Hollywood*, seasoned crime and entertainment writer Douglas Thompson reveals how all is masterminded by the money-obsessed Mafia, for whom everything and everyone is simply a commodity. The intense saga charges across America: from Hollywood bedrooms to the Oval Office, from California s twenty-first century computer capital to the cocaine-connection HQs stretching from the Sunset Strip to Marseilles, Milan, Moscow, Tokyo and Beijing. In this magnificent and highly compelling volume, Hollywood is unveiled as Tinseltown without the tinsel.
