Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

QEB Publishing, 2016. Hardback. Condition: New. Language: English . Brand New Book. Welcome to Planet Pok - the land of Monsters Nonsense. It s Pem Pem s birthday but he s lost his flying spaceship and the jumping jelly has escaped! Can his friends save the day? Monsters Nonsense is designed for children to practice decoding nonsense words within a fun and exciting story. The adult reads the main narrative whilst the child is encouraged to read the monsters language in speech bubbles. These non words help them practice their emerging phonics skills at a level that is right for them. Brought to life by award-winning author Peter Bently and Duncan Beedie s comic book style, each story stars one of the monsters cast in a leading role. This series creates a valuable shared reading experience and will inspire any child to become a monster reader!.
